

Supply Chain Management

Group Purchasing Program

For our private practice physicians

Gain preferred pricing on office and medical supplies through our system's partnership with Yankee Alliance.

About the Program

The Group Purchasing Program is customized by class of trade to focus on members' individual needs. Classes of trade include **Physician Practices, Ambulatory, Long Term Care, Home Care And Surgery Centers**. Yankee Alliance's aggregated contract portfolio provides members with market leading pricing.

Double digit average savings in key contract categories:

- **11%** Medical & Surgical
- **15%** Food Service
- **26%** Office Supplies
- **22%** Cellular Voice & Data

How it Works

- Yankee Alliance works with our Supply Chain Solutions members to identify potential non-owned facilities to recruit into the program.
- Yankee Alliance Supply Chain Solutions member assigns an on-site coordinator who meets with Yankee Alliance to review the program and discuss the implementation strategy.
- Once program is implemented, Yankee Alliance provides on-going customer support to maximize the relationship with the non-owned facilities.

Benefits

- Relationship building with non-owned facilities.
- Supply Chain Solutions member can offer and brand this service as a hospital program.
- Turn-key solution with proven track record that provides savings to affiliate members.
