MelroseWakefield Hospital & Lawrence Memorial Accepted Insurance Plans

January 16, 2026

The insurance plans listed below are accepted by Melrose Wakefield Hospital, Lawrence Memorial Hospital and the clinicians of Tufts Medicine. There are many clinicians who perform services at Melrose Wakefield Hospital and Lawrence Memorial Hospital who are independent clinicians from the community. These clinicians may accept different insurances than our hospitals. To make sure your clinician accepts your insurance, please check with their office before you schedule an appointment.

It is recommended that you check with your insurance plan before any care:

- to verify your covered benefits
- to understand any cost sharing related to copays, coinsurance, deductibles
- to understand the different levels of cost share related to a tiered plan
- to understand any referral or prior authorization requirements

For behavioral health services please refer to your insurance plan's member handbook. Many insurance plans use a third party vendor to manage these services. Please contact your insurance plan or employer for details.

If your insurance plan is not listed below, please contact your insurance plan or employer to find out what coverage may be available to you.
